

The Pot and Driving Campaign

10 Questions

A Handout for Teenagers

You'll never hear pilots announce to their passengers that they're smoking a joint before takeoff so they can relax and enjoy the flight. But if these pilots were drivers and they were in a car, would the situation be different?

1.into it

If you were a passenger in a commercial jet, would you be comfortable if your pilots smoked up so they could really get into flying the plane?

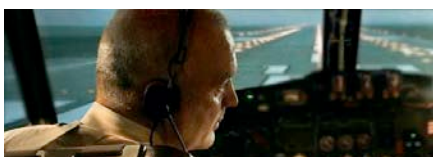

2.play

If driving high is like playing a video game, what happens when you make a wrong move?

3.react

If driving high slows down your reaction time, what will happen if a car suddenly swerves into your lane?

4.drift

If your mind drifts when you drive high, will you be prepared for something that needs your full attention?

The Pot and Driving Campaign
