Canadian Journal of Public Health

The *Canadian Journal of Public Health*, under various names, was the impetus for CPHA's founding. First published as the *Canadian Journal of Public Health* in 1910, then as the *Canadian Therapist and Sanitary Engineer*, then as the *Public Health Journal of Canada* and then as *Public Health Journal* (all in 1910). It was renamed *Canadian Public Health Journal* (1929 to 1942) and then became the *Canadian Journal of Public Health* (1943 to present).
