Child Car Seat Safety

- All children need a child seat for their height, weight and age; it is the law.
- Ensure that child car seat or booster fits properly.
- The chest clip should be at armpit level.
- Only one finger should fit between the straps and the child.
- To view child car seat installation videos, visit: www.alsecure.ca.
- For more information, see A1Secure fact sheet (in binder).
- “*S.E.A.T.S FOR KIDS*” is a not-for-profit agency that conducts car seat inspection clinics, information sessions, demonstrations on child car seats and attends community events. To find out more about their programs, e-mail seats_coalition@hotmail.com, or visit www.seatsforkidscanada.com.
- Persons on Ontario Works, ODSP, or EHSS may be eligible for car passenger seat funding through the City’s Social Services Department; call 613-560-6000 to find out more.

For more information on child car seats, call Ottawa Public Health at 613-580-6744, ext. 28020 and ask for a translator if needed; or visit www.ottawa.ca/health/. (Hours of operation: Monday to Friday, 8.30 a.m. - 4.30 p.m. -- closed on weekends and public holidays).
