PUBLIC HEALTH 2018

28-31 MAY | MONTREAL
FAIRMONT THE QUEEN ELIZABETH

Public Health 2018 will celebrate over 100 years of public health advancements and is the must-attend conference for the public health community. Public Health 2018 plays a critical role in the public health research, practice and policy environments by providing a national forum for discussing what works in public health.

CONNECT

Public Health 2018 is much more than its scientific sessions. It is a meeting place where long-time colleagues have the chance to reconnect and new connections are made. CPHA's annual conference is the key knowledge exchange event and the largest annual public health gathering in Canada.

Who Should Attend

- ✦ Academics
- ✦ Administrators
- ✦ Biostatisticians/Statisticians
- ✦ Chiropractors
- ✦ Environmental Health Officers
- ✦ Epidemiologists
- ✦ Front-line Public Health Workers
- ✦ Health Economists
- ✦ Health Promotion Workers
- ✦ Managers

- ✦ Researchers
- ✦ Students
- ✦ Trainees
- ✦ And anyone with an interest in public health!

COLLABORATE

Effective collaborations are essential in public health and many innovative partnerships have been born or strengthened in the hallways and session rooms of our conference. Public Health 2018 is your opportunity to share research findings, to learn about best practices, and to network with future collaborators.

The Canadian Public Health Association is pleased to host Public Health 2018 through a unique and effective collaboration with the:

Contributing Partners

- ✦ Canadian Institute for Health Information
- ✦ Canadian Institutes of Health Research
- ✦ National Collaborating Centres for Public Health

Collaborators

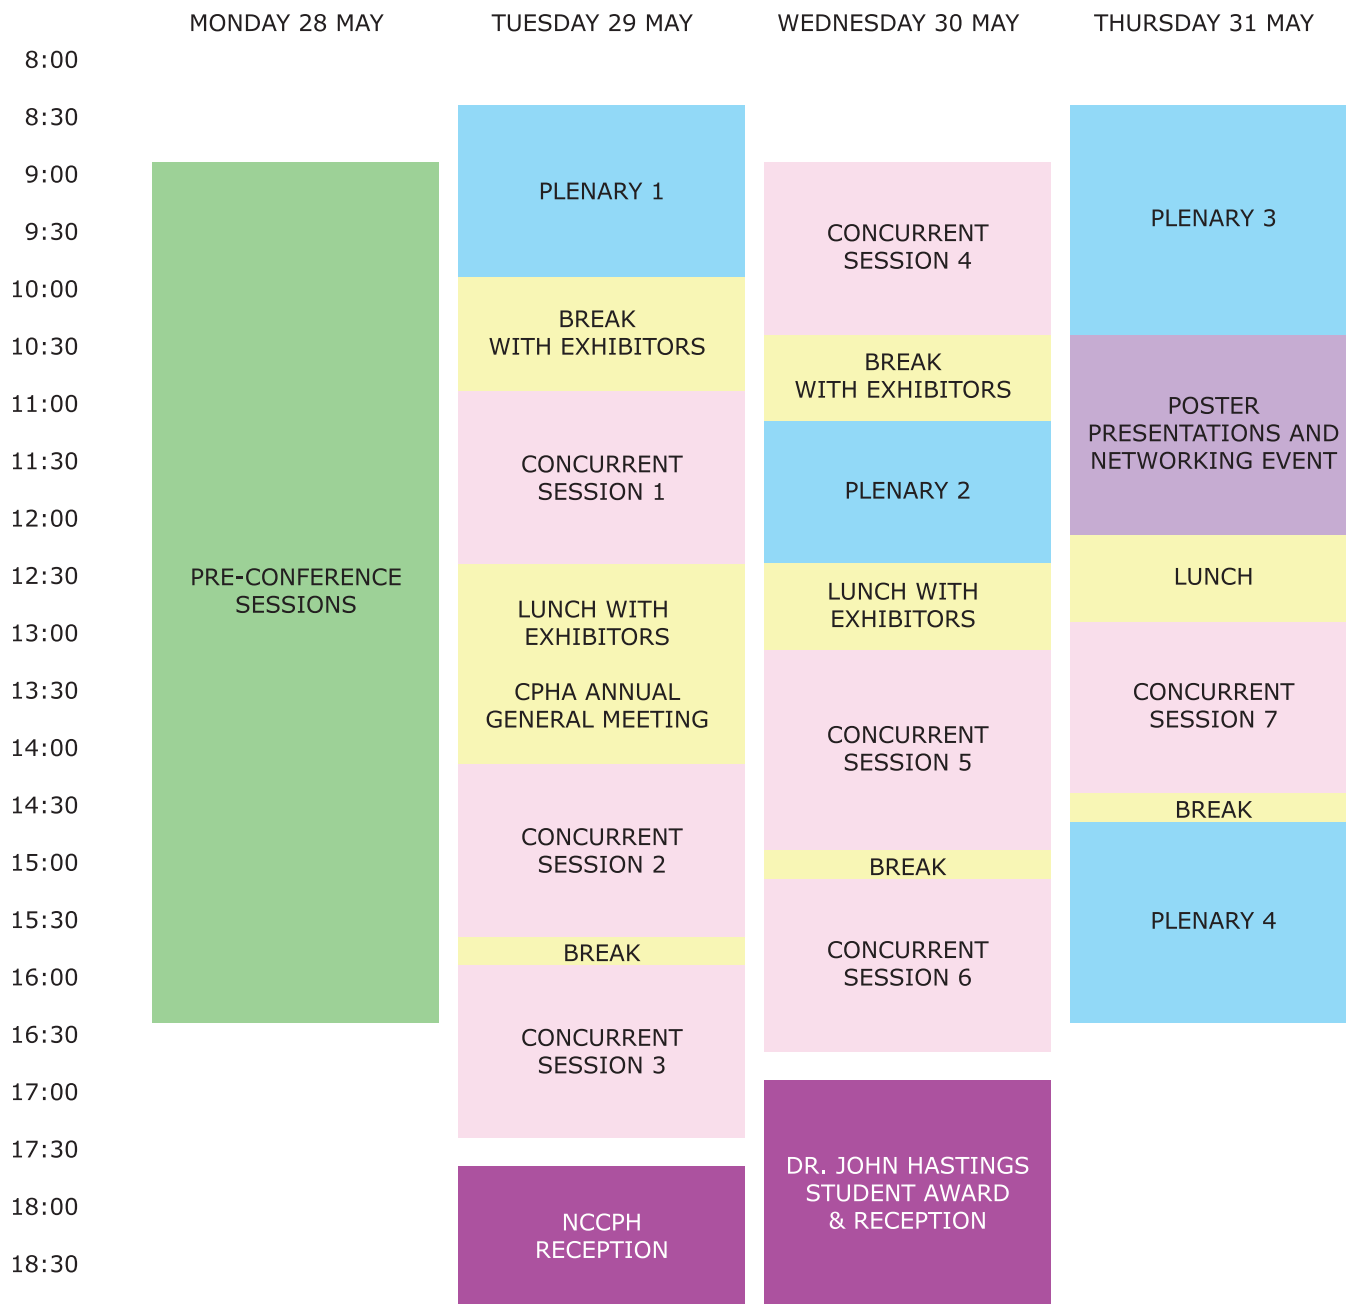

- ✦ Assembly of First Nations
- ✦ Association pour la santé publique du Québec

INNOVATE

Public health is a movement that is continually changing, facing new challenges, and reinventing itself. CPHA's annual conferences have been witness to many of those changes and innovations and Public Health 2018 will be no different. Public Health 2018 will present an innovative program that includes experts from our own community but also thought-provoking speakers from outside of public health who will inspire and challenge us.
