CPHA PROJECT NEXT STEPS

SPRING 2017: Community consultation pilot host sites and Expert Reference Group (ERG) recruited

FALL 2017 - WINTER 2018

- Community consultations will be facilitated across Canada
- Community consultation reports will be generated and shared with each community

SPRING - SUMMER 2018

- Capacity building learning tools and resources will be created based on the community consultation findings
- Capacity building learning tools and resources will be pilot tested with volunteer communities

FALL 2018: Capacity building learning tools and resources will be shared for Canada-wide community access

SUMMER 2017

- Initial (online) meeting with ERG facilitated
- Community consultations facilitated with three pilot volunteer communities: Kingston, York, and Ottawa
- Canada-wide community consultation sites recruited

SPRING 2018

- Community consultation data/reports will be analyzed for themes and findings summarized
- Expert Reference Group will be engaged in a facilitated review of community consultation findings
- Case studies (2-4) will be created to communicate community consultations findings

SUMMER - FALL 2018

- Capacity building learning tools and resources will be refined
